

Year 10/11 Exam Revision Sessions

Dear Parents,

The following pages outline details for our Year 11 students of the exam preparations and study arrangements for the final weeks of the year. There are also some additional sessions for Y10 students, most of whom will be sitting a GCSE in Citizenship this year. Please remember that our Saturday Additional Study programme will continue to operate during this time as per the published schedule.

The revision sessions have been timetabled to occur either the afternoon before an exam the following day or during the morning before an afternoon exam. The intention is that the revision sessions provide our students with a last boost of essential knowledge and an opportunity to refresh information that will hopefully be pertinent to the GCSE exam questions.

The majority of revision sessions will be delivered between either 10.00am – 12.15pm or 1.15pm – 3.15pm. The sessions will be delivered by the normal Year 11 subject teacher where possible. Attendance at all of the relevant revision sessions by Year 11 students is important as a means of them reinforcing prior knowledge and learning. Please note that there will be some clashes between exams and some revision sessions, this is unavoidable, as we have no control over the scheduling of the external exams.

Year 10/11 students should attend the revision sessions outlined on the next few pages (as appropriate) and attend all of their GCSE exams up until the completion of their final exam (see the separate 2018 Exam Timetable document, which is available on the Academy website).

Finally, we will be arranging a finishing of Year 11 celebration assembly, followed by a buffet lunch for our students and teachers on Friday 15th June. Mrs Mansfield, Head of Upper School, will make details of this available nearer the time. From 18th June onwards, Year 11 students will not be expected to come into school.

I would like to take the opportunity to offer all of our students the very best of luck in their GCSE examinations and look forward to welcoming most of them back to Belvedere for Sixth Form study.

Mr M. McGarry
Associate Principal

Friday 11th May – Friday 25th May 2018

Year 11 Revision/Study Sessions
